Friends of the Blue Hills

Trail Volunteer Work Report

Work date (mm/dd/yy): 12/5/10 **Report date:** 12/6/10

Your name: Win Burr

List Volunteers working with you:
working alone

Trail Name: Indian Path

Section Name/Description:
Southern third

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):
clearing fallen tree, brushing

Total Hours (# of people x hours worked): 3.00

Work Remaining:
About 1/3 of the trail needs brushing, but there are no major blocks now. There's a lot of garbage in the river which is visible now that the water level is low. I'd like to get out into the river and clear it before the level rises again.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):
I had thought the trail was little used, but three cyclists and a walker came by while I was working.
