Report date: 9/11/11

Your name: Jeff Sargeant

List Volunteers working with you:

Cody Sargeant

Trail Name: Accord Path

Section Name/Description:

From Houghton Hill Path to Five Corners Path

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Blowdown clearing, brush clearing, branch removal.

Total Hours (# of people x hours worked): 4

Work Remaining:

There is a large fallen oak and a large fallen white pine along the section between Coon Hollow Path and Five Corners Path. These two fallen trees are within 100 yards of each other and are of a size that need a chain saw for effective removal. DCR should be notified so that they can schedule that work. I removed all the limbs from the large white pine so hikers can easily duck underneath,

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):
