

Friends of the Blue Hills

Trail Volunteer Work Report

Work date (mm/dd/yy): 3/31/11

Report date: 4/7/11

Your name: Ron DiMatteo

List Volunteers working with you:

0

Trail Name: Border Path

Section Name/Description:

SW of the no name connector to the Eustis trail to the crest of the hill on the entire SE side of the border path

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Cleaning ditches, drainage dips, water bars

Total Hours (# of people x hours worked): 20.00

Work Remaining:

The drainage ditch above needs to be cleaned and continued toward 1135

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

I removed several large blowdowns, started a water bar. The intersection of the Bartol path and the connector to the Eustis path need water bars and diversion ditches. The erosion on these two intersections is getting critical and is a safety issue. A quick question: this trail is a perfect place for RR ties for water bars. How do I get them dropped at the worksites. (work hours are for 5 work sessions on this trail)
