

Friends of the Blue Hills

Trail Volunteer Work Report

Work date (mm/dd/yy): 5/14/11

Report date: 5/15/11

Your name: Dexter Robinson

List Volunteers working with you:

Trail maintenance day volunteers: Martin, Chuck, and Mike (to move large rocks on stone stairs)

Trail Name: Skyline Trail

Section Name/Description:

From Rt. 138 to Eliot Circle

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Moved large rocks that had fallen (or been pushed) into the trail just below the stone stairs. Cut section of fallen dead trunk crossing the trail. Removed debris from stone stairs.

Total Hours (# of people x hours worked): 2.75

Work Remaining:

None

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

dead trunk took the better part of an hour to cut - very hard, bow saw was dull and blade broke. I'm concerned with the number of large rocks that have likely been pushed into the trail over the past two weeks.
