Work date (mm/dd/yy): 10/16/11

Report date: 12/19/11

Your name: Christine Moberg

List Volunteers working with you:

Christine Hopkins, Nicole Sullivan, Andrea Wizer

Trail Name: Wolcott Trail

Section Name/Description:

Trailside Museum to 5 corners

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Tree cutting and brush clearing. We noticed that at the beginning of the path, there was a tree that had fallen and was blocking the path. We cut that up and removed it from the path. There had recently been a huge rain storm with massive wind, that probably took the tree down. We walked the whole path and removed several large logs from the path and also did some further brushing along the path.

Total Hours (# of people x hours worked): 8 hour

Work Remaining:

The leaves need to be raked/removed from the drains along our path. The water is not flowing well thru the drains.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):
