Report date: 12/19/11

Your name: Christine Moberg

List Volunteers working with you:

Christine Hopkins, Andrea Wizer, Nicole Sullivan

Trail Name: Wolcott Trail

Section Name/Description:

Trailside Museum to 5 Corners

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Raked and removed leaves from drainage along the trail. The water running into the drains was sitting in puddles and not flowing thru. By removing the leaves and mud, we were able to get the water to flow again.

Total Hours (# of people x hours worked): 8 hour

Work Remaining:

Will assess in spring, after snow has melted to see if there is any wash out or breakage of tree limbs from heavy snow. At this point, the trail looks good.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):
