**Report date:** 8/3/12

**Your name:** Ray Ajemian

**List Volunteers working with you:**

**Trail Name:** Border Path

**Section Name/Description:**

1175 to Unquity Road

**Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):**

- 1) Trimmed some brushes back from path
- 2) Worked on deeping first warter bar from 1175 ( main one)

**Total Hours (# of people x hours worked):** 30.00

**Work Remaining:**

Path is in pretty good shape. Since so much water comes down in heavy rains from the 1175 intersection, the water bars probably need to be deepened. The one worked on could be deeper and at least one more needs work. I will work on them in the near furture.

**Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):**
