Report date: 3/17/12

Your name: Dexter Robinson

List Volunteers working with you:

Trail Name (one trail name only): Skyline Trail

Section Name/Description:

Rt. 138 to Eliot Tower

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Cleaned all waterbars, removed organic material and scree from stone steps, picked up trash along trail and around bridge at Eliot Tower.

Total Hours (# of people x hours worked): 2.50

Work Remaining:

Minor pre-foliage brushing, blazes need refreshing this year - will do that when it gets warmer.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

Need replacement signage at 1066 at the Southern Skyline and Eliot Circle intersection. Some people (possibly runners) are using one of the water bars as a go around trail to avoid stone stairs. I put light brush over it and on my way back the brush had been removed.
