Your name: Bob Flagg

List Volunteers working with you:

Trail Name/description (one trail name only): South Skyline Trail

Section Name (select one from the drop down list): Blue Hills

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Cleaned drainage structures and removed branches from Marker 1094 to Hillside Street. Picked up small bag of trash.

Total Hours (# of people x hours worked. Use # of people x 3.5 for trail maintenance events): 3.50

Work Remaining:

Need to develop a solution for the stream crossing at Coon Hollow Brook (near Marker 1123). There used to be a bridge at the crossing but it was removed over seven years ago. At a minimum, the rocks at the crossing could be rearranged to provide a more stable crossing. Also should address crossing just south of Wildcat Notch Path. There is a structure there that just needs cross boards.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):
