## **Trail Volunteer Work Report**

**Work date (mm/dd/yy):** 10/17/16

**Report date:** 10/19/16

**Your name:** John Hahnfeld

**List Volunteers working with you:**

**Trail Name/description (one trail name only):** Burnt Hill Path

**Section Name (select one from the drop down list):** Houghton

**Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):**

Cleared out large branches blocking the outflow of a main grade reversal. DCR had cleared a fallen tree off the trail, apparently, but had thrown much of the debris in the path of the grade reversal. Debris from the outflow was being trapped in the debris.

**Total Hours (# of people x hours worked):** 1.25

**Work Remaining:**

The grade reversal itself and the outflow area should be smoothed out so that the water will run freely. Will do that soon.

**Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):**
