Trail Volunteer Work Report

Work date (mm/dd/yy): 6/12/11

Report date: 12/19/11

Your name: Peter Furth

List Volunteers working with you:

Beth Furth

Trail Name: Pasture Road

Section Name/Description:

Ponkapoag section, High Street to Route 24 horsebridge

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Fallen branches removed from the path. Nothing more needed.

Total Hours (# of people x hours worked): 1.00

Work Remaining:

Nothing except possible work improving drainage at several spots that's only a problem when it's very wet, so that leaving it as is may be the best solution anyway.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

Now that the horsebridge is open again, it may be that the stables seem to be maintaining the path -- in two successive visits I've found nothing except recent fallen branches.
