**Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):**

Brushing to equestrian standards and litter pickup between Reed Street north from 5420 to the first unnamed trail heading west to connect with Fawn Circle. Brushing to equestrian standards and litter pickup along entire stretch of that unnamed trail. This trail is now completely cleared of fallen trees and debris.

**Total Hours (# of people x hours worked):** 22.00

**Work Remaining:**

**Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):**

Most litter seems related to kids hanging around in the woods. The adjacent middle school had a lot of candy wrapper and soda-type beverage litter in its proximity. Dog feces is rampant. A large pile of plastic bags containing feces has accumulated right inside the gate at 5420 on Reed Street.
