Report date: 1/24/10

Your name: Bob Flagg

List Volunteers working with you:

Trail Name: Indian Camp Path

Section Name/Description:

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Brushed trail of branches and removed small trees at the edge of the trail. Removed some debris from culvert near Marker 4120. Large tree hung up on another tree near Marker 4135. Removed most of branches in the trail but tree will probably come down in the next year or two.

Total Hours (# of people x hours worked): 5.00

Work Remaining:

Trail is in good shape. Should return to culvert near Marker 4120 to move some rocks to improve flow on upstream side and remove debris on outflow side brocking good water flow. Should bring a rock bar to do work as some rocks are large.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):
