Your name: Robert Romeri

List Volunteers working with you:

Joyce Romeri

Trail Name: Sawcut Notch

Section Name/Description:

St. Moritz

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Walked Sawcut Notch from Wampatuck Rd (4214) to 4083.

Cleared blown down snags from foot path. Most needed to be cut with bow saw. Maybe 15 total.

Total Hours (# of people x hours worked): 2.50

Work Remaining:

Path in good shape

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

The pesky spot just before the Notch that flows out of the middle of the path needs attention. The path is staying wet and getting rutted. needs to be reshaped and diverted off to the east side of the path. Probably would also require some fill (gravel).
