Report date: 9/8/17

Your name: Paul Brookes

List Volunteers working with you:

None

Trail Name/description (one trail name only): Obbatinewat Path

Section Name (select one from the drop down list): Quarry

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Walked path from intersection with Murphy Path to intersection with pipeline. Path in excellent condition until arrived at intersection with pipeline. Here grasses had grown to obscure about 15 yards of path as well as the location of the entrance. Brushed and cleared path to reopen, pulled grasses and moved out of sight, removed a 2" sapling that had overhanging the path.

Total Hours (# of people x hours worked. Use # of people x 3.5 for trail maintenance events): 1.0

Work Remaining:

None

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

There is a rotten trunk, approximately 1ft diameter, 20 yards from the intersection with the pipeline, it is easily stepped over.
