Work date (mm/dd/yy): 6/25/17

Report date: 6/26/17

Your name: Rob Hirseman

List Volunteers working with you:

None

Trail Name/description (one trail name only): Skyline (Quarry)

Section Name (select one from the drop down list): Quarry

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Blazing. Only got from Shea Rink to the bridge between St. Moritz ponds, which isn't even my section. Went pretty slow to get the technique down, plus a couple of the blazes were very overgrown and needed the brush to be cleared. But should be quicker going from here. I have to say, blazing is kinda fun.

Total Hours (# of people x hours worked. Use # of people x 3.5 for trail maintenance events): 3.00

Work Remaining:

Blazing the rest of my trail, both directions. Will take a few sessions, but hopefully can get it done by the end of the summer.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

The section I reblazed overlaps the Green Trail which really needs to be reblazed too at some point.
