

## Blue Hills Section Four Map Route

Trail # 2000-1  
By Bob Vogel

**Hike # and title** - #2000-1 Blue Hills Section Four Map Routes

**Type and difficulty of trail** – Map 2 contains some steep, rocky inclines and great views on the Skyline Trail (marked in blue on your map). Following the other maps, you will experience hikes of moderate difficulty. Hikers of Maps 3 and 4 will enjoy views of the scenic Houghton's Pond.

**Distance** - varied

**Elevation** – varied

**Parking and starting point** – Map 1, 3 and 4: Houghton's Pond Visitor Center, 840 Hillside Street, Milton. Map 3: parking on Route 28 at Skyline (near marker 2210)

**Description** – Houghton's Pond is one of the most popular destinations in the summer months, but the trails are rewarding all throughout the year. Map 2 will take you up Buck Hill for amazing 365-degree views. Maps 3 and 4 will take you past Houghton's Pond itself. Map 1 guides you through the wooded paths that are near the road and bustle of the pond, but fewer people frequent.
