<b>Recent Weather:</b>		Overcast, 40's, 1" rain yesterday					
<b>TRAIL LANDMARKS</b>		<ul style="list-style-type: none"> <li>• Trailhead is located on the north side of Chickatawbut Road, .12 miles east of the Chickatawbut Outlook. There are two paths that leave Chickatawbut Road and access the main trail. For the purpose of this survey, mileage noted reflects the trailhead leaving from the westernmost path Marker 4052 at 4 large boulders. The easternmost path (261 feet east) Marker 4053, has 2 large boulders and a granite marker labeled Great Dome Trail. The Great Dome Trail (FBH) leaves this path immediately on the right.</li> <li>• Treadway descends at road width.</li> <li>• Unnamed path enters on right at 180 feet. This is the spur path back to Chickatawbut Road noted above.</li> <li>• Treadway continues to descend.</li> <li>• Sassaman Path leaves on the right at .15 miles. Pasture Run continues left.</li> <li>• Twin culverts, 12" clay with rock/earthen construction surround, under the treadway in a streambed at .32 miles. Flowing well.</li> <li>• Minor runoff in treadway at .41 miles through Headquarters Path intersection.</li> <li>• Pasture Run enters Headquarters Path Marker 4030 at .41 miles. Water from side ditch along HQ Path crosses Pasture Run but ditch is filled in and allows water to flow onto HQ Path. Need to address <b>(1)</b></li> </ul>					
<b>MINOR&amp;MAJOR PROBLEM AREAS</b>		1. Need to clean out and improve ditch that runs along HQ Path to keep water from flowing onto HQ Path. Use stones to build berm along HQ Path and clean out side ditch along HQ Path to improve water flow.
