

# **Friends of the Blue Hills**

## **Trail Volunteer Work Report**

**Work date (mm/dd/yy):** 12/25/08

**Report date:** 12/27/08

**Your name:** Jim Kaemmerlen

**List Volunteers working with you:**

0

**Trail Name:** Breakneck Ledge Trail

**Section Name/Description:**

Blue Hill - 1000's

**Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):**

Cut and moved log 70 yards southeast of marker 1180. Cleaned entry to northernmost culvert at 1180.

**Total Hours (# of people x hours worked):** 1.00

**Work Remaining:**

Breakneck Ledge trail between 1162 and 1178 is a relatively stable flood plain with some percolation, so it's always going to be wet going in winter and spring. A few drains dug to the west of the trail might help.

**Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):**
