**Trail Name:** Border Path

**Section Name/Description:**

East of Unquity Road

**Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):**

Worked on projects identified in Construction project 09-001. Dug up and removed non-functioning culvert just NW of Marker 1215. Created swale with hardened floor to replace the culvert. Used rip-rap stone and crushed stone to fill in trail that starts down primitive trail at Marker 1215. Capped stone with sand fill and installed grade reversal to direct water off the trail. Moved approximately 14 yards of fill. Brushed length of trail from Unquity Road to Hillside Street. Also brushed most of primitive trail that runs from Marker 1215.

**Total Hours (# of people x hours worked):** 48.00

**Work Remaining:**

Need to disperse remainder of crushed stone and sand and clean up site where fill was located.

**Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):**
