Trail Name: Houghton Path

Section Name/Description:

Blue Hill, 1000s

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Removed branches from trail, mostly small ones from recent rain and wind storms. Also rolled large stones off the footpath. Roamed widely in Blue Hill parcel, doing light cleanup on many trails.

Total Hours (# of people x hours worked): 2.00

Work Remaining:

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

There was an unusually high incidence of large stones in the trail, as if they were dislodged intentionally by some visitors.

Recent efforts by trail workers have been very effective in the recent rains. All water bars, culverts, and puddle drains are working well.
