

Friends of the Blue Hills

Trail Volunteer Work Report

Work date (mm/dd/yy): 6/25/09

Report date: 6/26/09

Your name: Robert C. Walcott

List Volunteers working with you:

None

Trail Name: Wolcott Path

Section Name/Description:

Trailside Museum north parking lot to Five Corners

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Improved 3 trail drainage run-off locations, 50% and one about 90% on others, removed leaves and "other" from culvert and waterbar. Removed leaves, organic, small roots, etc. from side areas off ditch parallel to Wolcott trail for 150'

Total Hours (# of people x hours worked): 2.50

Work Remaining:

None

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

Very quiet 2.5 hours, only 1/2 dozen walkers, no wildlife. Did note a large pile of crushed stone piled up next to dumpster. Hope it is for very wet and muddy area 100 yards on Wolcott from parking lot on green dot. I think I have noted this condition a number of times.
