

Friends of the Blue Hills

Trail Volunteer Work Report

Work date (mm/dd/yy): 3/14/16

Report date: 3/15/16

Your name: Bob Flagg

List Volunteers working with you:

Trail Name/description (one trail name only): Brookwood Trail

Section Name (select one from the drop down list): Blue Hills

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Cleaned out all drainage structures on trail except as noted below. Removed medium-sized tree blocking trail. Cleared green briar from first 100 feet of trail. Cleared branches and brushed rest of trail.

Total Hours (# of people x hours worked. Use # of people x 3.5 for trail maintenance events): 2.75

Work Remaining:

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

There is a stone waterbar about 350 feet from trailhead on Blue Hill River Road that actually heads uphill for the outflow trench. It is not possible to reestablish flow without a major effort. Uphill structures should adequately remove water from the trail so suggest this one be abandoned.
