Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Cleaned grade reversal near intersection with Accord Path.

Total Hours (# of people x hours worked. Use # of people x 3.5 for trail maintenance events): 1.00

Work Remaining:

There is a grade reversal about 50 feet up the trail from Blue Hill River Rd. The water runs into the woods but then steeply down to the road pushing some debris to the edge of the road. Need to add some rocks or large branches to slow water down before it heads to the road.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):
