

Friends of the Blue Hills

Trail Volunteer Work Report

Work Date: ____5/18/08_____ Report date: ____5/18/08_____

Your name: ____Robert Flagg_____

List Volunteers working with you: ____none_____

Trail Name: ____Laurel Path_____

Section Name/Description: ____Worked at the intersection of 3121_____

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Culvert on up-streamside was completely buried under leaves and dirt and down-stream almost buried. Drainage ditch outflow filled with leaves and the level slopes up toward a tree blocking the ditch. Opened the up-stream side and cleared out the outflow drainage ditch on the down-stream side.

Total Work Hours: ____3 hours_____

Work remaining: ____Up-stream side could be dug out further and the outflow ditch could use additional digging to improve the slope. There is a medium size blow-down that must be removed to improve the outflow slope.

Other comments: (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

____none_____
