**Report date:** 06/05/08

**Your name:** Greg Richards

**List Volunteers working with you:**

none

**Trail Name:** Skyline Trail

**Section Name/Description:**

Nahanton Hill to Route 28

**Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):**

Trash pickup from Nahanton to Route 28 on Skyline as well as some side trails along the way. Cut two small trees (5 ft. tall and 8 ft. tall) that were blocking the trail on Fenno Hill with my pocket knife (not fun). Cleared some overhang while hiking. Helped a couple that had wandered off of the yellow trail and gotten lost on Kitchamakin Hill find their way back to the parking lot. Carrying a trash bag full of broken glass, boards with rusty nails, and broken aluminum cans back from Route 28 to the parking lot at Chickatawbut overlook was definitely hazardous but I fortunately didn't get hurt..

**Total Hours:** 3 hours and 45 minutes. 10:45 AM to 2:30 PM

**Work Remaining:**

Need to bring tools out to do more brush and overhang clearing. I only planned on picking up trash so I didn't have any equipment.

**Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):**
