SCA (8), Joe Sloane (I was not working at this site)

Trail Name: Bouncing Brook Path

Section Name/Description:

Between Kitchamakin foot trail and 3130; Culvert on Wompatuck Path

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Culvert Clearing: re established several drainage ditches and cleared approximately 4 culvert basins. Vegetation cleared around the culverts, culverts were rearmed on the inflow site. Outflow was dug out to keep the water in its path-- Culvert on Laurel Path downstream from culvert on Bouncing Brook was cleared and reopened to let the water flow appropriately from one culvert to the next.

Buried CCC Stone culvert on Wompatuck was clear on the outflow side- Inflow opening could not be located- vegetation cleared in the area.

Total Hours (# of people x hours worked): 50

Work Remaining:

fill + water bars required on sections of the red dot

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

need to locate inflow for CCC stone culvert at Wompatuck Path
