Trail Volunteer Work Report

Work date (mm/dd/yy): 11/1/09

Report date: 11/6/09

Your name: Bob Mazairz

List Volunteers working with you:

Just myself

Trail Name: Unknown name of narrow path between intersection of Skyline and Braintree Pass Path that runs parallel to Skyline in a roughly southwest/northeast orientation. The top of the path terminates at Skyline trail on the summit at the fence for the school. Some of the path is lined with the decorative circular rock mounds that appear in a couple of places in the reservation (NDR notes that this is the Carve Path).

Section Name/Description:

Chickatawbut

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Complete brushing of the path. Picked up sticks, twigs and branches for six hours on 10/31, then returned with bowsaw and loppers for six hours on 11/1.

Total Hours (# of people x hours worked): 12.00

Work Remaining:

Project is complete.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

Only one person passed me during the entire 12 hours on a beautiful fall weekend.
