Trail Volunteer Work Report

Work date (mm/dd/yy): 8/20/11

Report date: 8/22/11

Your name: Robert Shine & Chris Mullin

List Volunteers working with you:

Trail Name: Monatiquot Path

Section Name/Description:

Trail is in the Houghton's Pond section, between Route 28 and old Route 128

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Aggressive brushing performed along entire length of trail

Total Hours (# of people x hours worked): 2.00

Work Remaining:

Brushing is in good shape for now. The fence along route 93/128 has had tree and man-made damage where it has opened up gaps. Should be repaired, but this is likely not able to be done by volunteers and is more of a DCR/Highway Dept issue.

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):
