

# Friends of the Blue Hills

## Trail Volunteer Work Report

**Work date (mm/dd/yy):** 9/12/16

**Report date:** 11/24/16

**Your name:** Bob Vogel

**List Volunteers working with you:**

n/a

**Trail Name/description (one trail name only):** Mattapan Trail

**Section Name (select one from the drop down list):** Houghton

**Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):**

Cleared trail bed of fallen sticks and leaves, cut several fallen trees across trail. Generally improved trail so it could be followed.

**Total Hours (# of people x hours worked. Use # of people x 3.5 for trail maintenance events):** 3.50

**Work Remaining:**

I left most of the fallen trees 'lining' the trail, so it doesn't get lost as soon as the leaves fall. I'll move these away from the trail as soon as it gets enough use to be easily followed.

**Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):**

.This is a nice little trail, which is marked by old red paint dots on the trees, but was getting VERY hard to follow. Hopefully now more folks will use it, and it will stay easy to follow.
