## Trail Volunteer Work Report

**Work date (mm/dd/yy):** 6/6/09

**Report date:** 6/9/09

**Your name:** Caleb Blankenship

**List Volunteers working with you:**

Joe Woodman, Ronnie DiMatteo, George Mileris, Dave Humphreys, Eddie DeSantis

**Trail Name:** Acton Path

**Section Name/Description:**

Section at the end of Harrison Road, Canton and section running aside the gas pipeline.

**Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):**

Cleared a blocked side ditch and culvert at the end of Harrison Road. Cleared one other culvert at intersection with Fisherman's Beach path. At gas pipeline, cleared side ditch from culvert at midpoint of section to culvert at the easternmost end of section, (near 90 degree turn of Acton Path).

**Total Hours (# of people x hours worked):** 16.50

**Work Remaining:**

One other culvert should be worked located a bit further west of the culvert we cleaned at Fisherman's Beach.

**Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):**

Water continues to spring up from the middle of the path tread at the Harrison Road section. Could be remedied with minor construction.
