

# Friends of the Blue Hills

## Trail Volunteer Work Report

**Work date (mm/dd/yy):** 8/23/09

**Report date:** 11/25/09

**Your name:** Alexandra Echandi

**List Volunteers working with you:**

SCA (6 members)

**Trail Name:** Quarry Foot Path

**Section Name/Description:**

Between Little Granite and Big Granite towards Granite Incline

**Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):**

Existing rock step path was completely underwater. SCA crew constructed 4 bog bridges allowing for safe/dry passage through the wetland as well as ensuring proper wetland hydrology.

**Total Hours (# of people x hours worked):** 350.00

**Work Remaining:**

Need to continue to work on the phragmites- must apply for Conservation Commission permit to fully remove the phragmites population by the boardwalk. Boardwalk approved as an RDA but Cons Comm requested an NOI for continued phragmites removal.

**Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):**

Possible habitat for Spotted Turtles- one tiny/dead spotted turtle found. Water samples analyzed from this location, water is suprisingly clean!
